TREASURER/FINANCIAL SECRETARY'S REPORT – Lisa Graf

The quarterly treasurer's report covers the period between October 1, 2008 and December 31, 2008. The balance on hand in the general fund on October 1, 2008 was \$32,849.58 which included \$10,433.56 in the restricted cartridge fund. Receipts totaled \$21,469.68 and disbursements equaled \$34,465.52, leaving a balance in the general fund of \$19,853.74 minus the restricted cartridge fund of \$9202.00. The balance in

the unrestricted general fund as of December 31, 2008 was \$10,651.74. Lisa pointed out that the District has paid two-thirds of our Mission Grants thus far which amounts to \$88,000. Lisa stated that she would need to make adjustments to the cartridge fund because there were considerable expenses during the past quarter for training. Lisa stated that as of today the usable balance in our account is \$8300.00. She also stated that when Board members order items from the LWML store in St. Louis they should note that there are two addresses one for shipping and one for billing. Her address should be put in the billing information or she will not get the bill. At our November Board meeting we voted to send \$10,000 over and above the twenty-five percent that is sent to National Mites. Lisa stated that she has sent \$2400.00 toward that goal. President England stated that National is \$400,000 behind its biennium Mites goal. Mite money must reach National by March 31, 2009 to be counted for this biennium. President England asked the Zone Presidents to contact their societies to encourage them to send their Mite money to Lanece in time that the money can be sent to National by the March 31st deadline. (Later in the meeting Pastor Henke informed the Board that a memorial of \$100,000 was given to the LWML National Mites in memory of his wife Pat. The gift was anonymous.) Lisa brought up the fact that the District will probably be short in the ability to meet delegate expenses for the upcoming convention. She suggested that she contact Marilyn Laramy, Chairman of the Special Gifts Fund, to see if we might use some of the interest from this fund for funding the delegates.

Debbie made a motion from committee that the District LWML sponsor a Pastors' and Vicars' wives retreat to be held May 8th and 9th 2009. The theme of the retreat will be "A time to Rest, Relate, Rejuvenate" based on Ecclesiastes 3:1. Motion passed. Patti Ross, PR Director asked that the materials used such as pens, folders, etc. be LWML promotional items. In her written report, Debbie also addressed Bible studies at Zone events, Bible studies will be designed so that they can be carried out in a one hour time frame. In each zone there will be a pool of Bible study leaders to conduct the Bible studies. These women will be chosen by Zone leaders and pastors from each Zone with input from the District counselors. The pool of Bible study leaders will then be asked to conduct the studies and receive the training prior to the event. A representative from this pool (each zone) will attend the Board of Director's meeting and receive training and information to share with the pool of leaders from their Zone. The committee will dispense with the practice of using certain congregations in a rotation fashion for the Bible studies as has been done in the past. A pastoral counselor or the host pastor will be floating during the Bible study to answer any questions that may need clarifying. The opening and closing devotions for Zone events will be written by the District pastoral counselors and the music and hymns will be suggested by the District pastoral counselors with input from the Zone event host and the District president.
