

Miami Zone
Cherie Meislahn, President

March 5, 2011
11D

As president of the Miami Zone, I have started visiting each of my societies' regular meetings. I was invited to attend the society meeting at Messiah, Vinita in January on a Sunday. They had a good meeting, bible study and chili luncheon. Also in January I attended a meeting on a Thursday evening at St. John in Pryor. They had a devotional, discussed many upcoming projects and had dessert. In February I attended a meeting at Faith Owasso on a Saturday morning. They served some lovely refreshments and had an informative meeting, giving updates of each of their individual circles and talked about upcoming events. At Bethlehem, Adair, the ladies serve a meal, have a business meeting to include projects to be funded and then Pastor Moeller leads bible study. Their meetings are held on the first Wednesday evening of each month. I look forward to attending a meeting in March at Redeemer, Claremore and hope to attend a meeting at the remaining societies in the near future. It was interesting to learn the dynamics of each group, the projects they participate in, how they differ and how they are alike. All are wonderful groups and do lots of good works for their churches and communities. Very proud of all of these ladies. I have been corresponding through email with Carol Fruehling, Tulsa Zone President, and Debbie Hooper, Ponca City Zone President, discussing the Spring Fling scheduled for April 2 to be held at Owasso. We have discussed the division of duties and responsibilities, with each zone more than willing to do their share. When I was at Owasso for their regular meeting we also discussed some of their duties since the event will take place in their church. We are looking forward to a wonderful Spring Fling.
