The Panhandle Zone Societies are preparing for the Spring Fling to be held March 26 at Zion, Alva. Our zone will be providing the table decorations and table favors. Enid Zone will be taking care of registration and the meal. Plans are also being made for the Peoria Convention. Both events have been publicized and ladies are being encouraged to attend. Lutheran World Relief items were delivered to Hays, KS on October 6. We delivered 2,653 pounds of quilts, blankets, and soap, along with health, sewing, school, and layette kits. Several on-going projects include: delivering Spanish Bibles, providing a monthly meal to the homeless shelter, distributing Thanksgiving baskets, taking poinsettias to shut-ins, helping nursing home residents play Bingo and providing snacks for them, supporting the Hugs Project for hospitals in Iraq and the troops, caroling at the nursing home, taking Bibles to the youth detention center, and providing meals for congregational dinners and showers.
